# PROBLEMS FACED BY CLINICS & HOSPITALS

The main reason why maximum clinics & hospitals fail;  
Either they don't have a good marketing strategy, or they don't have a professional team to work on that good marketing strategy.

**The  
Simplest  
Impossible  
Problem**

*Every problem has in it the seeds of its own solution. If you don't have any problems, you don't get any seeds.*

# SOLUTION FOR THE PROBLEM

The Best Solutions Are Often Simple, Yet Unexpected

: Julian Casablancas

*“You have to stay true to your heritage;
